

CS 6350 FINAL PROJECT

Names of students in your group:

Vedant Nibandhe, NetID: VXN200012

Ameya Potey, NetID: ANP200000

Koushik Grandhi, NetID: KXG190042

Number of free late days used for this project: 1

Project Structure:

1. Unzip the Folder "CS6350Project.zip" and enter it.
2. Open the README.txt for setup and execution steps.
3. knn_MapReduce.py is the main source code file to run the project.
4. log_file.txt is the file with experimental logs in a tabular format showing different metrics like accuracy, and classification reports for different values of k.

Please list clearly all the sources/references that you have used in this assignment.
